NSW – Narrabri Gas Project

- Santos has development consent for up to 850 gas wells and associated infrastructure across the 95,000ha project area.
- The release of the Strategic Opportunities for Gas in Regional NSW statement coincides with the government's commitment to investigate a potential Narrabri Special Activation Precinct, which would streamline planning processes, create new jobs and fuel regional economic development.

NSW – Gas Statement

Strategic
Opportunities
for Gas in
Regional NSW

Affordable energy, backed by safe and sustainable domestic gas production, is important to support NSW industry and help drive economic recovery, particularly in the regional communities hit hardest by COVID-19, bushfires and drought.
