Dear Wendy

### **ANNUAL REPORT SUBMISSION TIMEFRAMES – PRLs 210-220**

I refer to your letter dated 7 January 2021 seeking to amend the reporting period and submission timeframes of the amalgamated annual reporting requirements for PRLs 210-220.

I note that the request to amend the reporting period and submission timeframes has been made in order to promote ease of management by allowing the reporting period for the amalgamated annual report to remain 25 October to 24 October, with a submission due date of 24 December each year, irrespective of any approved period of suspension.

I have considered your request to amend the reporting period and submission timeframes and pursuant to Section 134 of the *Petroleum and Geothermal Energy Act 2000* and Regulation 33(1) of the *Petroleum and Geothermal Energy Regulations 2013*, I hereby approve an extension of time to allow Senex Energy Limited to report on the period 25 October to 24 October for PRLs 210-220, with submission of the annual report due by 24 December each year.

Please note that the above approval will be periodically reviewed and may be revoked at any time. In accordance with Section 134 (1) of the Act, approvals for the extension of time limits are published on the Department for Energy and Mining's website at:
